The following is a description of the rights granted by federal law to students with disabilities. Please keep this explanation for future reference.

You have the right to:

1. Have your child take part in and receive benefits from public education programs without discrimination because of his/her disabling condition.
2. Have the Woodland Star Charter School (“Charter School”) advise you of your rights under federal law.
3. Receive notice with respect to Section 504 identification, evaluation and/or placement of your child.
4. Have your child receive a free appropriate public education. This includes the right to be educated with non-disabled students to the maximum extent appropriate. It also includes the right to have the Charter School make reasonable accommodations to allow your child an equal opportunity to participate in school and school-related activities.
5. Have your child educated in facilities and receive services comparable to those provided to non-disabled students.
6. Have your child receive special education and related services if he/she is found to be eligible under the Individuals with Disabilities Education Act (IDEA) [20 U.S.C. Chapter 33, P.L. 101-4761.] or to receive reasonable accommodations under Section 504.
7. Have an evaluation, educational recommendation, and placement decision developed by a team of persons who are knowledgeable of the student, the assessment data, and any placement options.

extracurricular activities offered by the Charter School.

9. Examine all relevant records relating to decisions regarding your child's Section 504 identification, evaluation, educational program, and placement.

11. Obtain a response from the Charter School to reasonable requests for explanations and interpretations of your child's records.
12. Request amendment of your child's educational records if there is reasonable cause to believe they are inaccurate, misleading or otherwise in violation of the privacy rights of your child. If the Charter School refuses this request for amendment, the Charter School shall notify you within a reasonable time and advise you of your right to an impartial hearing by the Charter School officers or designees to challenge information in education records.
13. Request mediation or file a grievance in accordance with the Charter School's Section 504 mediation grievance and hearing procedures.
14. Request an impartial hearing regarding the Section 504 identification, evaluation, or placement of your child. You and the student may take part in the hearing and have an attorney represent you.
