

Chromebook Zoom Install: Woodland Star Charter School

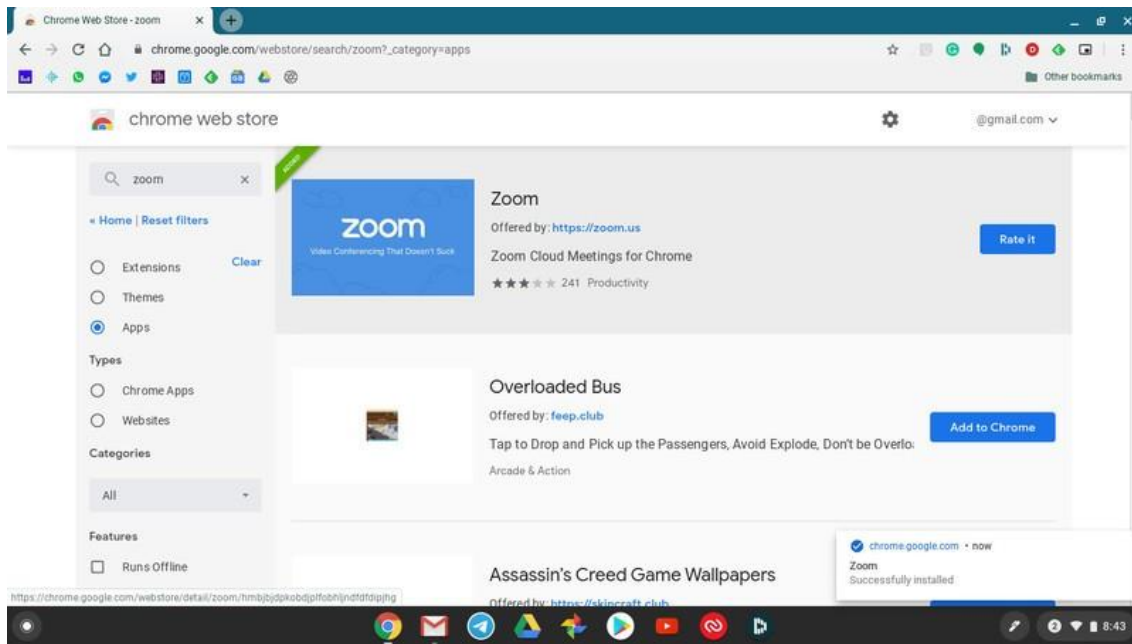

1. From Chrome, type **Chrome Web Store** or <https://chrome.google.com/webstore>. Here you will be able to search for all kinds of Chrome OS apps and extensions, including Zoom.
2. In the search tab on the top left of the screen, search for **Zoom**.

3. Be sure to look for the Zoom app from Zoom.us (in a blue box), and click **Add to Chrome**.
4. Read through the permission request dialogue box, and click **Add app**.

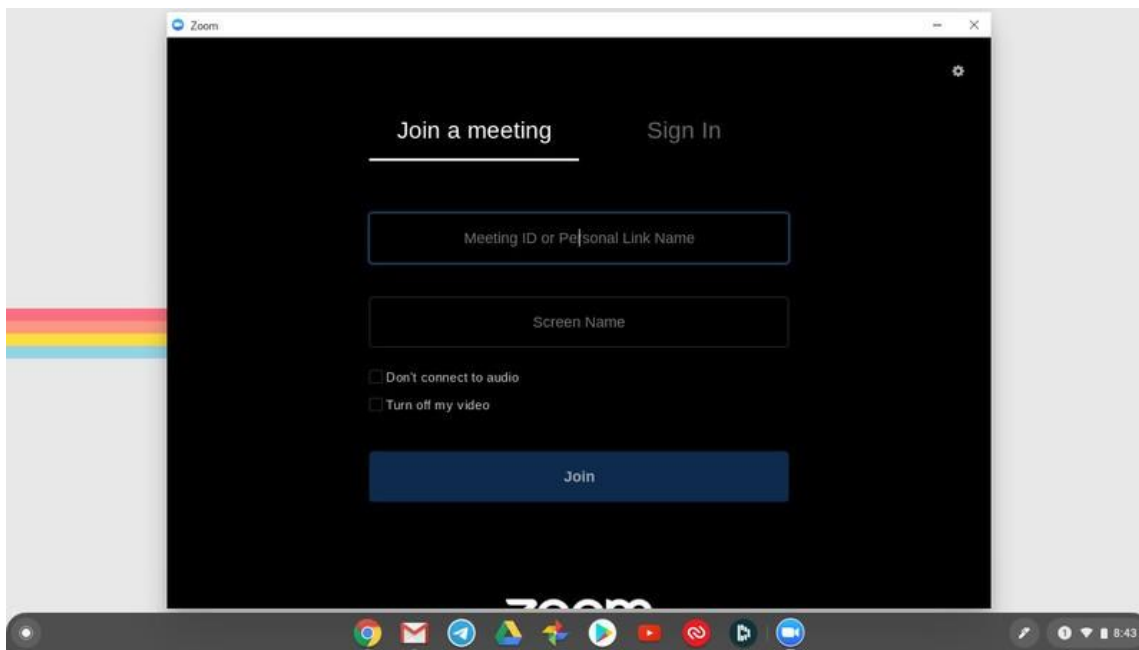

5. You should get a notification that Zoom was successfully added to your Chromebook.

6. Go to the app launcher and click on the Zoom app.

7. A dialogue box will pop up inviting you to **Join a meeting** or **Sign In**.

Now you're ready to connect via a real Zoom video call from your Chromebook. Magical!
